R. E. Lee Chapter No. 872, U. D. C.

Held a most encouraging meeting at the residence of Mrs. Geo. Todd Thursday afternoon. It was voted to send aid to assist the U. D. C. of Alton, Ill., in beautifying the graves of 2100 Confederates who died there in prison. Also to assist in decorating "The Texas Room" in the museum at Richmond, Va.

The dues of the Chapter were fixed at 60c a year (5c a month), and all ladies, young or old, who are related either directly or collaterally to a Confederate soldier, and whose sympathies were and are for the Confederate cause are earnestly requested and urged to come in and join our Chapter.

Mrs. M. J. Northern was unanimously elected an honorary member. She had seven brothers in the field. Her name is to be sent on to Ex. com.

The Chapter is requested to meet at the cemetery Sunday, June 3rd, (Pres. Davis birth day) to assist in decorating the graves. Bring all the flowers you can.

Next regular meeting will be held at the residence of Mrs. D. C. Wise, Friday, June 8th, at 4 o'clock p. m.

Some thief or thieves entered the office, and laboratory of the Jefferson Iron Co. one night early this week by means of a false key, taking a medicine chest from the office, leaving the bottles piled up in the floor, from the laboratory they stole a fine pair of chemical scales. From the position of the roller top desk, the thieves evidently intended stealing it also, as it was made ready for moving; they also took some blotting paper to the door and left it. The scales are in a large glass case, and are used for weighing very minute particles. Evidently these thieves knew the value of the scales. It has not yet been determined what was stolen from either places. Men who go around and do such things should meet Judge Lynch. Thieves and rapist should be shown little if any mercy.

For Sale or Rent.
